UNDERSTANDING SOCIAL ENTERPRISE

EXPLORE PURPOSE LED BUSINESS FOR THE FUTURE

People, planet, and profit – the three elements at the heart of all social enterprises.

Take time to discover how a social enterprise model can increase sustainability while reducing funding dependency.

During your program you will have the opportunity to explore real life examples and explore practical considerations such as finance, legal structures, and support for social enterprise.

You'll connect with others working for social change and share valuable experiences as you start your social enterprise journey together.

What will you get out of the program?

Clarity on how the social enterprise model works in practice

Learn from real life examples

Explore practical considerations such as finance, legal structures, and social impact

Connect with others working for social change

Discover sources of support for social enterprises
