## WHO IS IT FOR?

This Program aims to empower young people aged between 15-21\* with the confidence, self-esteem and focus necessary to maximize their future opportunities. For any young person who is passionate about leadership and wants to develop their leadership skills, this is a great opportunity.

The young people may already be part of a leadership group in the community, such as a local school leadership group, youth committee or youth reference group, this program will continue to build and enhance those skills as they continue your leadership journey.

*\*Program can be tailored to different age cohorts*
