LEADERSHIP RESIDENTIAL

This is a bespoke leadership programme, designed to meet the needs of aspiring leaders in the Highlands & Islands and elsewhere in rural Scotland. It will give those working in development trusts and other community-focused organisations the skills, networks, and support they need to accelerate their work.

The programme explores some of the skills, mind-sets and behaviours required to lead in an enterprising and innovative way. You will enhance your understanding of what it means to be enterprising and how this approach can support you to achieve your organisation's vision, mission and values.
