# DEVELOPING SUSTAINABILITY

## LEADING YOUR ORGANISATION THROUGH PERIODS OF RAPID CHANGE

Sustainability is a key concern for third sector organisations and social enterprises. Numerous challenges face the sector, both within their own structure and how they interact in the wider environment. Sustainability is also about how to expand, scale and develop the ways organisations are working and growing.

This programme explores these themes, looking at what is already working, how to sustain this, and identifying what needs to change and how to make this happen.

### WHO IS IT FOR?

This is a six-day programme for Social Enterprises and Not For Profit organisations to examine and develop their organisational and financial sustainability.

### WHAT WILL YOU GET OUT OF THE PROGRAMME?

**REVIEW NEW OPPORTUNITIES FOR INCOME GENERATION**

**EXPLORING NEW PARTNERSHIPS AND NETWORKS**

**APPLY AN ENTERPRISING MIND-SET TO ORGANISATIONAL STRUCTURE**

**IDEAS FOR INNOVATIVE CHANGE TO BUILD SUSTAINABILITY**
