MAKE A PLAN

I can write a business plan demonstrating that I have considered various strengths and opportunities for my social enterprise.

TASK

Now that you have looked at the different parts of running a Social Enterprise, go ahead and complete a written or spoken business plan. Make sure to complete each section and think about the positive changes you want to make. Include all the essential elements a social enterprise needs in order to be successful and sustainable. Click below for more ideas, hints and tips to help you.
